

Envision Wellness WNY Behavioral Health is looking for a dynamic agent of change that is comfortable in sometimes feeling unbalanced but brave enough to step forward with the long-term goal as the endgame.

Working under the direction of the Director of Clinical Services, the Clinical Supervisor performs a variety of functions involved in program development, oversight, and coordination of clinical services.

Applicant will be required to:

Review treatment plans and other documentation

Coordinate clinical resources

Provides clinical training and serves as resource for Agency's staff

Other duties as assigned by the Director of Clinical Services.

### **Responsibilities and Duties**

The Clinical Supervisor position is both clinical and administrative.

The position requires excellent ability to adapt, direct and drive clinical services to achieve optimum access to services and quality of care.

Clinical Supervisor is responsible for communication among staff, clients, families, and external resources to ensure collaboration and continuity of treatment; actively participates as a part of a multi-disciplinary treatment team.

Must provide effective role modeling and leadership to the clinical staff.

Must interview hire and orient/train assigned staff to policy, roles and duties and assure they are practicing within their scope.

### **Qualifications and Skills**

\*Master's Degree in Counseling, Social Work or Psychology (minimum)

\*Requires independent license (LMHC or LCSW)

\*Previous managerial experience required

Job Type: Full-time

Twelve paid holidays; accrued vacation and sick time available after probationary period in first year.

Salary: dependent upon experience

Experience:

- Supervisor: 1 year (Preferred)

License:

- LMHC, LCSW (Required)
